

Looking for the best option for trusted, local, professional painters at a fair price? You've come to the right place! We take all the work of researching various painters, reviewing multiple estimates and worrying about hidden costs off of your to-do list!

## PAINTZEN APPROACHES PRICING DIFFERENTLY THAN ANY OTHER COMPANY.

1. We are completely transparent with our quotes, and we offer them online via our quoting technology. You won't find this anywhere else!
2. We do not ever provide 'estimates,' just hard quotes. As long as your project is described accurately to us, your quote is your actual price.\*
3. Our quotes, represented in comprehensive, transparent work orders, include paint if you choose, as well as supplies, tax and tip for your convenience. We have no hidden fees.
4. We do not charge extra for basic prep, such as spackling and sanding small nail holes, covering floors and furniture, taping around electrical outlets and light fixtures, and cleaning up paint debris/materials after painting is complete.
5. Unless specifically requested, we do not assume or charge for any extra areas to be painted, such as doors, closets or trim.
6. Please note that we charge by the scope of the project, not by the hour. If for any reason we need to stay longer than estimated to make things perfect, we won't charge extra! If we finish sooner than planned, we do not refund - but we hope our customers enjoy getting a little time back to themselves!
7. With our Price Match Guarantee, we will match any price you may find as long as it's an identical work order from an equally insured company. If you're interested in this offering, please ask us about our price matching document, which will help you with the process.
8. We offer free color consultations and color swatch sampling, as well as free digital inspiration tools - all to help make sure you're completely happy with your final paint selection!
9. We consistently offer promotions and savings! Below are just a few options:

### NEW CUSTOMERS

We offer our first-time customers **\$50 off** their paint job to help ensure we stay within your budget! Use **promo code PZ50** to redeem your discount.
